## Release Notes

Component	Product Impact	Internal Issue	Description
WebCaptcha	Bug	252136	When WebCaptcha response header is set to "X-Content-Type=Options: nosniff" for security reasons, then captcha is not displayed in Internet Explorer 11, because response content-type is "text/html" instead of "image/bmp".
WebDataGrid	Bug	257084	When WebDataGrid is inside a user control, and the latter is placed in a Tab content, then trying to set grid column's FormatFieldMethod property, inside the InitializeRow event handler, will result in a server-side exception.
WebDataGrid	Bug	257215	When WebDataGrid has Column Moving behavior enabled and grid is placed inside an HTML iframe, then it is not possible to drag and drop columns in Microsoft Edge.
WebDataGrid	Bug	261000	When WebDataGrid is placed in a container with right-to-left direction and has a horizontal scroll, then the scroll still starts from the left side of the grid.
WebDataGrid	Bug	257044	When WebDataGrid has Column Fixing behavior enabled, then turning off and on the feature dynamically will cause the horizontal scrollbar to disappear and exception to be thrown.
WebDataGrid	Bug	259016	When WebDataGrid has Column Summaries and Editing enabled then turning off and on the editing feature dynamically will cause an exception to be thrown.
WebDataGrid	Bug	259579	When WebDataGrid has Editing and Activation behaviors enabled then attempting to focus cell, scroll grid so that it is in the visible area and enter cell edit mode will cause an isNullOrUndefined exception.

# Infragistics® ASP.NET

WebDataGrid	Bug	260925	When WebDataGrid is placed in a container with right-to-left direction, then grid editor provide is not rendered correctly.
WebDataGrid	Bug	261745	When WebDataGrid has column bound with DBNull value, then filtering such a column will not be possible and an error will be thrown.
WebDataGrid	Bug	258048	When WebDataGrid has a column of a type DateTime and Filtering behavior is enabled than trying to filter by a date value that has a millisecond in it will not return correct results.
WebDataGrid	Bug	260102	When WebDataGrid has Selection and Activation behaviors enabled then using the grid cell's method scrollToView() will not work if cell is not in the viewport.
WebHierarchicalDataGrid	Bug	257386	When WebHierarchicalDataGrid has Editing behavior enabled, entering edit mode for a grid child's band cell, after the child grid is scrolled, will result in a cell editing popup, not aligned with the cell.
WebHierarchicalDataGrid	Bug	257314	When the WebHierarchicalDataGrid InitialDataBindDepth is dynamically set to 1 and grid is rebound an exception is thrown.
WebHtmlEditor	Bug	262164	Word Count dialog shows redundant box symbols in Chrome; Reset Style functionality is not supported; Added hyperlink is not shown when dialog is opened again.
