Release Notes

Component	Product Impact	Description
igEditor	Bug Fix	[igDatePicker] In IE 10 clear button doesn't clear the date properly.
igGrid	Bug Fix	Caption property cannot be set dynamically at runtime.
igGrid	Bug Fix	When column is defined with dataType: 'date' empty values are displayed as 'NaN' in the cells.
igGrid	Bug Fix	When the grid has defined width less than the sum of its columns' widths and showHeader is set to false, the grid is rendered without a horizontal scrollbar
igGridFiltering	Bug Fix	When column has allowFiltering set to false and "filter" API method is used to filter on that column error is thrown. **Note:** When using igGridFiltering filter method on column which has allowFiltering set to false the following error is thrown "TypeError: Object #<Object> has no method 'value'"
igGridFiltering	Bug Fix	In Chrome and IE9 when using jQuery 1.7.1 or higher filtering drop down dialog doesn't close after selecting an option.
igGridPaging	Bug Fix	When Selection and Paging are enabled calling the Paging API method "pageIndex" deselects the selected row.
igGridSelection	Bug Fix	In IE9 and Chrome when multiple selection is enabled page scrolls down when clicking on a row.

MVC Wrappers	Bug Fix	The MVC3 Infragistics.Web.Mvc DLL has an explicit reference to System.Web.WebPages 2.0.0.0 which is a part of MVC4 (and .NET Framework 4.5) **Note:** The MVC3 Infragistics.Web.Mvc DLL has an explicit reference to System.Web.WebPages 2.0.0.0 which is a part of MVC4 (and .NET Framework 4.5) - as a result MVC projects with our DLL fail with a server-side error
MVC Wrappers (igGridFiltering)	Bug Fix	When filtering is applied for datetime column with null values JavaScript exception is thrown.
MVC Wrappers (igGridFiltering)	Bug Fix	The option "filterDialogMaxFilterCount" is not available in the MVC wrapper
MVC Wrappers (igGridFiltering)	Bug Fix	Options "filterDialogColumnDropDownDefaultWidth" and "filterDialogFilterDropDownDefaultWidth" are not available in the MVC wrapper
