Release Notes

Component	Product Impact	Description
igDataChart	Bug Fix	Control doesn't render in IE10 RTM for Windows 7
igDataChart	Bug Fix	Certain chart scenarios return errors on the iPad after the util defineProperty changes were made. Note: A scenario in which loading certain series or using certain features on the iPad would throw a JavaScript error has been resolved.
igDataChart	Bug Fix	The truncation character is not correctly translated in the minified version
igDataChart	Bug Fix	Series are not available in the array when added dynamically with igDataChart("option", "series")
igEditors	Bug Fix	Unable to select year and month through the editor's dropdown calendar in iOS 6.0.1 devices.
igEditors	Bug Fix	Validator border line is not red if using an editor control inside of a dialog window. Note: The validation styling was being overridden by the dialog window's styles. I added a selector that makes sure the correct styling is applied even inside a dialog window.
igGrid	Bug Fix	Keyboard navigation does not set the focus to the selected row when virtualization is enabled. Note: Keyboard navigation should now correctly scroll the grid up and down when continuous virtualization is enabled.
igGrid	Bug Fix	Setting the groupBy before the RowSelectors feature doesn't render the checkboxes on initial load.
igGrid	Bug Fix	No horizontal scroll bar is rendered/displayed in Internet Explorer 7
igGrid	Bug Fix	Last column is cutoff in Internet Explorer 7
igGrid	Bug Fix	Exposing the data row inside the custom formatter as a parameter

INFRAGISTICS
DESIGN / DEVELOP / EXPERIENCE

igGrid	Bug Fix	Templating and Single Character Attributes	
igGrid	Bug Fix	Column headers are misaligned in Safari when using filtering	
igGrid	Bug Fix	When filtering is applied and then sort any column and there is remote paging, all of the records for the current page are sorted and rendered, no matter the applied filter	
igGrid	Bug Fix	igGrid does not resize properly.	
igGrid	Bug Fix	Onblur validation works when the mouse is moved to change fields, but not when tab is used	
igGrid	Bug Fix	Hitting enter key doesn't trigger the cell editor's validation.	
igGrid	Bug Fix	Extra column header appears when filtering is enabled and the first column is hidden.	
igGrid	Bug Fix	numbers are not rounded properly in Internet Explorer 8.	
igGrid	Bug Fix	Column filter tooltip shows the column key instead of column header when using Advanced filtering	
igGrid	Bug Fix	ColumnMoving throws an exception when the Filtering feature is enabled	
igGrid	Bug Fix	The moving dialog is too small in jQuery 1.9.1 and Modernizr (CDN latest version or custom build)	
igGrid	Bug Fix	When the modal dialog has width bigger than grid moving it makes it go above the headers and part of it can't be reached.	
igGrid	Bug Fix	Filter options are missing when deleting filter conditions and then pressing cancel on the filter dialog	
igGrid	Bug Fix	Search and Cancel buttons in the advanced filtering dialog have the same ids	
igGrid	Bug Fix	Event dataFiltered is not triggered when clicking on "Clear Filter" with remote filtering	
igGrid	Bug Fix	Hitting "cancel" doesn't revert the changes made for the filtering conditions in the advance filtering dialog.	
igGrid	Bug Fix	When clicking advanced filtering button, press Esc then click another column's filtering icon, both filters are added.	
igGrid	Bug Fix	When filtering through the API method you are unable to apply multiple filters through separate calls.	
igGrid	Bug Fix	DataBound event is fired twice after filtering if "dataBind" is invoked explicitly	
igGrid	Bug Fix	DataSourceUrl with Filtering and RowSelectors throws error in Google Chrome	
igGrid	Bug Fix	Cell containing HTML with TABLE element shifts the row data to the left. Note: With this fix we will support tables in an HTML template	
igGrid	Bug Fix	Removing items directly form the data source doesn't work when an igGrid is bound to the knockout data source	

igGrid	Bug Fix	Feature missing from combined Infragistics.js
igGrid	Bug Fix	MultiColumnHeaders shift column definition logic
igGrid	Bug Fix	When the grid is bound to remote data and at least one column from (the first defined) column group is hidden by default, that column's header cell is still visible while the grid is waiting for the data
igGrid	Breaking Change (API)	rowEditDialogMaxHeight sets height of dialog's field container instead of the max height of the entire dialog. Note: Changed the property rowEditDialogMaxHeight to rowEditDialogContentHeight so it matches its purpose better.
igGrid	Bug Fix	When fixed virtualization and selecting a row after scrolling, apply extra focus on first selection
igGrid	Bug Fix	When fixed virtualization and selecting a row after scrolling, dismiss the focus from first selection in Firefox
igGrid	Bug Fix	Sorting cannot be applied on a hidden column. Note: Sorting is not supported on hidden columns. If user tries to sort hidden columns a custom exception is thrown.
igGrid	Bug Fix	Sorting dialog doesn't look right when you sort a couple of columns in IE8.
igGrid	Bug Fix	Summaries Count value is formatted with currency format
igGrid	Bug Fix	When you uncheck the Count summary of a date column the Min summary is not correct.
igGrid	Bug Fix	Updating Values does not fire updating of summary
igGrid	Bug Fix	Custom keydown event fails for grid editor
igGrid	Bug Fix	Vertical Scrollbar locks when leaving the add row and the cursor is in a a text input element
igGrid	Bug Fix	Unable to tab between cells when edit mode is cell with jQueryUI 1.8.16 and older. Note: Before this fix is applied to fix this you should use jQueryUI 1.8.18+
igGrid	Bug Fix	Updating a record with a rowId of 0 causes the grid to re-render
igGrid	Bug Fix	When virtualization is enabled and edit mode is set to cell, row selection is lost after editing
igGrid	Bug Fix	When fixed virtualization and selecting a row after scrolling active row on first selection does not lose its active or selected style.
igGrid	Bug Fix	Header text appears as null when using a blank string in ASP.NET MVC Helpers
igGrid	Bug Fix	Chrome: When columns are set in percent values and resizing is executed some of the columns are resized incorrectly
igGrid	Bug Fix	Grid Filtering Yesterday condition doesn't work on the 1st of the month

INFRAGISTICS
DESIGN / DEVELOP / EXPERIENCE

igGrid	Bug Fix	The option DefaultDropDownWidth is not included in neither the GridWrapper (ASP.NET Helper), nor the GridModel
igGrid	Bug Fix	Error occurs when cell edit ended event is handled with multiple cell selection enabled.
igHierarchicalGrid	Bug Fix	When you hide filter from feature chooser some parts of the editors are still visible in IE7.
igHierarchicalGrid	Bug Fix	The ui.row.index parameter of the rowSelectionChanging/ed events is incorrect (takes into account expanded hierarchical grid row) when group-by is enabled
igListView	Bug Fix	igList does not navigate to local page
igMap	Bug Fix	Map series cannot be removed
igTree	Bug Fix	Error in "Load on Demand Using OData" sample
igUpload	Bug Fix	"Upload File" button should be tapped twice to open the browse dialog in IE10 on Windows 8 touch device and it doesn't work if the browser is zoomed.
igVideoPlayer	Bug Fix	If you jump forward or backward while the video is playing - "Buffering" sign appears and it never disappears
