## Release Notes

Component	Product Impact	Description
igButton	Bug Fix	igButton has rounded corners in the new theme
igChart	Bug Fix	DataChart > Axis Labels > Labels are not removed when an axis is removed.
igGauge	Bug Fix	<p>There are CSS classes containing capital letters in the igLinearGauge and igBulletGraph.</p> <p><b>Note:</b></p> <p>Now all of the CSS classes for igLinearGauge and igBulletGraph are with lowercase.</p>
igGrid (ColumnHiding)	Bug Fix	Column header misalignment when there are initially hidden columns under Android stock browser
igGrid (ColumnMoving)	Bug Fix	When moving the last column to the left the new last column receives unnecessary padding
igGrid (FeatureChooser)	Bug Fix	Feature chooser is not properly rendered when window is resized
igGrid (Filtering)	Bug Fix	<p>Date column preset filter nullText is retained after the filter is cleared.</p> <p><b>Note:</b></p> <p>Previously, preset filters: "This month", "Last month", "Next month", "This year", "Last year", "Next year" will keep their text when cleared, but the actual condition will be "On".</p> <p>This is now fixed and the filter hint will show the actual condition when the filter is cleared.</p>
igGrid (Paging)	Bug Fix	Page size drop down contents is cut from the right
igGrid (Paging)	Bug Fix	Loading indicator does not disappear when changing page using keyboard navigation
igGrid (Paging)	Bug Fix	Page index button does not work if you don't click on the text

igGrid (Selection)	Bug Fix	When Selection with activation='false' and Updating features are enabled, updating row and changing selection to another row preserves the selection focus on the updated row
igGrid (Updating)	Bug Fix	<p>The igGridUpdating.startAddRowEdit method is not forcing the 'Add New Row' row to enter edit mode when editMode="rowedittemplate".</p> <p><b>Note:</b> Resolved an issue preventing igGridUpdating from opening a row edit template dialog for new rows through the public API.</p>
igGrid (Updating)	Bug Fix	Updating a row in a grid with fixed virtualization and igGrid.autoCommit=false throws commit exception
igGrid (Virtualization)	Bug Fix	When using continuous virtualization scrolling with the mouse wheel results in looping through a subset of the rows in Chrome, Firefox, and Safari
igHierarchicalGrid (Updating)	Bug Fix	<p>The igGridUpdating.updateRow causes expanded rows to collapse.</p> <p><b>Note:</b> Resolved an issue causing igHierarchicalGrid to break when updateRow API is called with a row ID not found in the data source.</p>
igVideoPlayer	Bug Fix	<p>Not all of the related videos are listed.</p> <p><b>Note:</b> Horizontal scrollbar of the related videos didn't work.</p>
igZoomBar		igZoombar window cannot be zoomed or dragged in Internet Explorer 11
MVC Wrappers (HierarchicalGrid)	Bug Fix	<p>OData option is missing from the Grid's MVC wrapper.</p> <p><b>Note:</b> The GridModel.OData option is added. It serves for controlling if the hierarchical grid encodes all requests using OData conventions and the \$expand syntax to the grid's MVC wrapper.</p>
Templating Engine	Bug Fix	Templating doesn't work with property names containing spaces
