Release Notes

Work Item ID	Component	Product Impact	Description
247163	igCombo	Bug Fix	Items are not correctly rendering when the data source items are less than the Combo visible items count with grouping and virtualization enabled
226782	igDataChart	Bug Fix	Exception when hover/touch over a chart bound to an empty dataSource and markerType is set
209413	igDataChart	Improvement	Bar chart is rendering all labels in the Y-axis when not enough room and interval not set **Note:** For chart's with small amount of size available the auto interval heuristics have a new mode that is less likely to try to render too many labels and require clipping. In order to avoid making visual breaking changes, this mode is optional, for now, and can be enabled for axes via useEnhancedIntervalManagement = true
244567	igDataChart	Bug Fix	Visual data is returning wrong font information
244598	igDataChart	Bug Fix	ScatterPolygon series has incorrect legend badge
244811	igDataChart	Bug Fix	timeXAxis last labels are not displayed
246052	igDataChart	Bug Fix	ScatterContourSeries does not clear its visuals when invalid member path is set at runtime
246054	igDataChart	Bug Fix	ScatterContourSeries does not render contours with correct colors when the max value of fill scale is set to zero
246130	igDataChart	Bug Fix	ScatterAreaSeries does not export pixels in visualData
246583	igDataChart	Bug Fix	ScatterContourSeries throws error setting valueResolver - valueCount

			Incorrect text layout when chart is in "Right to Left" mode.
			Note:
			A scenario where text would not be anchored to the correct location in RTL mode was

243826	igGrid (ColumnMoving)	Bug Fix	headers in Internet Explorer
			Filtering dropdowns do not close when opening in sequence and
246569	igGrid (Filtering)	Bug Fix	advancedModeEditorsVisible option is true
			Change in the filter dialog's add condition dropdown is not reverted when Cancel
			button is clicked.
			Note:
			This issue fixes the scenario with change in the filtering dialog`s condition drop down
244549	igGrid (Filtering)	Bug Fix	which was previously not reverted when "Cancel" button is clicked.
237522	igGrid (Filtering)	Bug Fix	Click on the filtering editor does not enter in edit mode
