What's Changed

Components	Product Impact	Description
Data Chart	Bug Fix	The Markers of the Spline type series are not in sync with the "Accordion" and "FromZero" type transition modes
Data Presenter	Bug Fix	Hover style of filter items is not working in Office2010Blue theme.
Data Presenter	Bug Fix	Filter items style is not correct in all Office themes.
Data Tree	Improvement	When in edit mode the text box gets the default MS style and cannot be manipulated
Dialog Window	Bug Fix	Value does not fall within the expected range exception is thrown when you try to maximize the window after it's been minimized to its minimized panel.
Donut Chart	Bug Fix	Samples browser crashes upon navigating to xamDoughnutChart > Hierarchical Series sample
Grid	Bug Fix	The cell styles are not merged when using conditional formatting Notes: The styles have been merged if set.
Grid	Bug Fix	Binding errors in debug mode while executing defer scrolling on grouped data
Menu	Bug Fix	Popup menu remains on screen although its window gets inactive (by "Alt + Tab"key) when the control is loaded via System.Addin.

INFRAGISTICS
DESIGN / DEVELOP / EXPERIENCE

Menu	Bug Fix	ItemsPanel has extra space for collapsed item on the second showing
Radial Gauge	Bug Fix	Setting the scale from 0 to 360 and a small range from 0 to 1 displays the first and the last label in the same position (they overlap) Notes: A case there the label ommision strategy would not be respected has been resolved.
